*The contact person listed here will be provisioned to AIG's CyberEdge Communication Platform. The AIG CyberEdge Communication Platform is hosted by Cygnvs, a third-party provider. More information on this will be made available with the insurance quote or indication offer. The Insurer may, but is under no obligation to, (1) use externally observable data about the Applicant's computer network, and (2) contact the Applicant's Risk Manager (or other person designated by the Applicant in Question 3 of this Questionnaire) in connection with a condition or circumstance that the Insurer reasonably believes may result in a future event for which coverage may be afforded under the policy being applied for. The Insurer may continue to observe and report, as described above, during the term of any policy containing coverage issued to the Applicant.
