

CYBER STANDALONE PRODUCT

Those serving community-focused industries are at significant risk of experiencing a cyber-attack in today's climate. Due to the nature of the personal and confidential information they store, cyber criminals often see them as prime targets. Glatfelter is now providing clients a more robust cyber protection product to allow them to continue doing their important work with increased confidence.

## **Advantages**

- A dedicated cyber limit; limits do not erode Management Liability or GLPL coverage
- Eligible insureds receive access to critical <u>Cyber</u> <u>Loss Control Services</u> tools, including:
  - 24/7 access to cybersecurity best practices checklists and claims data
  - One-on-one remote sessions with a cybersecurity and IT expert to identify a client's potential risks
  - A dedicated, 24/7 support hotline to report threats and attacks
  - Employee Cybersecurity eLearning in more than 30 languages
- Regulatory action coverage included in Security and Privacy Liability
- Includes Network Interruption Coverage
- Access to an external Communications Platform to speak directly with the carrier
- Worldwide coverage\*
